AVON FOOTBALL ASSOCIATION

## PRESIDENT'S MESSAGE

Today's grand final in Northam of the Avon Football Association between Quairading and Beverley is a replay of the 1992 grand final at Cunderdin. On that occasion Beverley won but it is difficult to predict the end result today. Perhaps Quairading with the week's rest will prove to have more run in their legs at the end of the day.

N.B.: In 1992 Beverley had the week's rest.

In the reserves today's game is a local Northam derby between Railways and Federals. Both clubs have produced many outstanding juniors and an entertaining and close game of football is assured.

On behalf of the directors of the Avon Football Association, congratulations to all teams that made the final rounds this year and to those teams in league and reserves that are playing in today's grand finals we wish them all the very best and take this opportunity to thank all the clubs in the Avon Football Association for a great season of Australian Rules Football.

ANDREW McLELLAN,

President,

A.F.A.

# CLUB NOTES

## BEVERLEY

After the disappointment of losing both second semi-finals the Redbacks were fired up for the preliminary final on their home turf. The reserves were lining up against the Federals Falcons while the league side took on the Railways Bombers.

After a bit of off-field drama the reserves boys threw everything they could at Federals. The commitment and endeavour was there and that is what you need to be successful, but the opposition was just that class above. It was good to see that the young guys who played had a red hot go and gave everything they had for themselves as well as the jumper and club.

To finish third was a great effort and to look at the age of the players it looks as though the Redbacks will be up there in years to come. I am sure the guys appreciated the efforts of coach Dipper and his associate Crow as well as the on-field leadership of a great captain as Frosty and his sidekick Prickle.

Reserves award winners: Freemason's carton - Prickle; Beverley Co-op - Jimmy; Beverley Deli - Mainers; Elders port - Frosty; Trainer's player of the day - Jezza Narkle.

The league match was going to be a hard slog as Railways always give 100% with the incentive of both sides in a home town grand final. The Bombers had defeated us in the first round but the Reds had equalled the ledger in the second. This was crunch time as the loser was out and fortunately for us we just got over the line.

After jumping to an early lead the game tightened up with both sides going goal for goal. It was not pretty to watch but that is what finals football is all about. Let's hope we can go one step further and knock off our favourite friends Quairading. To get

to a grand final is a great effort and Stitch and Donga deserve the appreciation of the club. One more win would really top off a great season.

League award winners: Rod Smith/Frank McDonald - Phantom; Magpies carton - Raz; R.A. McLean & Co. - Salty; Shirley-Anne's Deli - Bucket; Avon Trading - Cleggy; Trainer's player of the day - Breaker; Beaneye award - Aaron; Beaneye award - Becky (Sweet Lips); Beaneye award - Head.

It is time for the thank yous and there are a few to get through. To our sponsors for their continual support of the football club, to the trainers for the hours they put in during the week and on the weekends, the goal and boundary umpires, time keepers, interchange and Terry and Rod on the scoreboard. They all deserve thanks for their time in doing these weekly jobs. The guys who did the running especially Minnow in the league, the club thanks you for your efforts.

A special mention must be given to our magnificent ladies who once again did a great job in running the kitchen and in running various other social functions. Also to the office bearers and committee for another great year on and off the field.

Writing the notes is sometimes a bit difficult but with a club like Beverley and players like Jimmy and Bucket around, finding things to write about is fairly easy. Keep staying idiots as it makes my job enjoyable.

Good luck to Railways and Federals in a Northam derby reserves final. To our guys - I want another flag.

Suicide.

## A THOUGHT TO REMEMBER . . .

### DO YOU JUST BELONG?

Are you an active member,  
The kind who would be missed,  
Or are you just content to know  
Your name is on the list?  
Do you attend the Club house  
And mingle with the flock,  
Or do you stay at home  
To criticise and knock?  
Do you take an active part  
To help the work along,  
Or do you keep yourself away  
But hope the Club stays strong?

Do you give your whole support  
To projects so they stick,  
Or leave the work to just a few  
And talk about the clique?  
Be honest now, dear member,  
You know right from wrong.  
Are you an active member,  
Or do you just belong?
