## **Testimonies supporting the service delivery of Ultimate Promotions**

"I have had ongoing positive feedback from football & sporting clubs, associated with the WACFL. These clubs have all utilised the services of Ultimate Promotions to coordinate sports nights & training sessions with his high profile guest speakers for several years to raise funds."

**Cameron Knapton- General Manager, WA Country Football League**

"I have been dealing with Ron at Ultimate Promotions for 7 years. Ron has been able to assist in providing any speaker that we have asked for. Some of the speakers that we have had include Jason Akermanis, Mark Harvey, Crackers Keenan, Dean Cox, David Rhys Jones, Stan Alves, Brad Hardie and Spida Everitt, all have been great speakers and very funny characters. Ron always looks after the Dalwallinu Community when holding these functions, our players' sponsors & guests are always asking, when are we having Ronnie up for another event, and who is he bringing up this time?"

**Glen Jones- Regional Manager, Landmark Dalwallinu**

"The Melville Rams AFC hosted a function in 2011 with Jason Akermanis, it was a huge night for the club, with plenty of positive feedback from players, sponsors and supporters. Ultimate Promotions were very well organised and stress free to deal with, providing quality posters and tickets 6 weeks prior to assist us".

**Brad Watt – Melville Rams AFC**

"The sportsman nights the Wagin Football Club have held over the past 5 years through Ultimate Promotions have all been professional, profitable and most importantly enjoyable. Ron has supported the club in all areas from donated raffles to sponsorship to memorabilia; the club can't speak highly enough of Ron or the speakers he has brought to the club, people ranging from Crackers Keenan, David Rhys Jones, Stan Alves and most recently Jason Akermanis and Collingwood Captain Nick Maxwell. Ron in our opinion is the No. 1 promoter in WA, by the length of the Albany Highway."

**Dane Tulley – Wagin Football Club**

"Our club has used Ultimate Promotions for the past 8 years, all functions are professionally run by Ron and the variety of speakers we have had have been fantastic. In recent years we have had 5 big profitable functions at the club with Dean Cox, Leigh Colbert, Jason Akermanis & Glen Jakovich, Karl Langdon & Glen Jakovich and in 2011 Nick Maxwell. The feedback from our players & sponsors is always very positive and we make good money for the club".

**Lionel McQueen – Cockburn Lakes Football Club**

"The Cervantes Football Club has had the pleasure of working closely with Ron and his Ultimate Promotions speakers over the past 4 years, during that time we have had some big nights at the club with Darren McAullay, Beau Waters, Stan Alves, Spida Everitt, Glen Jakovich, David Rhys-Jones, Crackers Keenan and most recently Jason Akermanis. Our local community loves these nights and the professional manner they are coordinated by Ron is fantastic. All functions have returned a good profit for the club and most of all the speakers are all good blokes that enjoy a beer and to have a fun night with the locals".

**Dale Simmons – Cervantes Football Club**

All functions have generous sponsorship packages attached to them and include **professionally printed posters & tickets**.
